Please note the above figure is your total required figure. Under the terms of the 3 for 2 agreement, you will only be invoiced for 2 thirds of the above amount for each delivery.

This agreement remains flexible to accommodate changes in usage, pupil numbers or other irregularities throughout the academic year. Refills can also be substituted for sticks should more be needed. Extra sticks or refills may be purchased separately at any time. If, at any time during the academic year, an improved offer is implemented by the company, this improved price will supercede this agreement.
